# **General Conditions Of Testing 通用服务条件**

GUANGZHOU WORLDWIDE STANDARDS TESTING CO. LTD. hereinafter called “the Company”, while reserving the right to decline, without giving any reason whatsoever, any request for the undertaking of a test or investigation, will carry out at the request of the Applicant the required test or investigation subject always to the following conditions:

1. All materials, equipment and other property to be tested or investigated shall be delivered at the cost of the Applicant and in accordance with the requirements of the Company. At the conclusion of the test or investigation, the Applicant shall, if requested by the Company, collect the materials or equipment. In any event, if materials or equipment are not collected by the Applicant within 60 days from the issuance date of the test report, the Company may at its entire discretion dispose of the same without any compensation to the Applicant.
2. No liability shall be incurred by and no claim shall be made against, the Company or its servants, agents or other persons employed at the Company’s premises where such tests or investigation are to be carried out, in respect of any loss or damage to any such materials, equipment and property occurring whilst at the said premises, or in the course of transit to or from the said premises, and whether or not resulting from any acts, neglect or default on the part of any such servant or agent of the Company, or any other person as aforesaid.
3. The Company will not be liable, or accept responsibility for any loss or damage howsoever arising from the use of information contained in any of its Reports or in any communication whatsoever about its said tests or investigations.
4. Applicants wishing to use the Company’s Reports in court proceedings or arbitration shall inform the Company to that effect prior to submitting the sample for testing.
5. A Test Report be issued in confidence to the client and it will be strictly treated as such by the Company. It may not be reproduced either in its entirety or in part and it may not be used for advertising. The client to whom the Report is issued may, however, show or send it, or a certified copy thereof prepared by the Company, to his customer, supplier or other persons directly concerned. The Company will not, without the consent of the client, enter into any discussion or correspondence with any third party concerning the contents of the Report.
6. The Report will refer only to the sample tested and will not apply to the bulk, unless the sampling has been carried out by the Company, and it will be stated as such in the Report.
7. In the event of improper use of the Report, the Company reserves the right to withdraw it, and to adopt any other measures which may be appropriate.
8. Samples submitted for testing are accepted on the understanding that the Report issued cannot form the basis of, or be the instrument for, legal action against the Company.
9. Samples are deposited with and accepted by the Company on the basis that either they are insured by the Applicant or the Applicant assumes entire responsibility for loss through fire, theft or burglary, or for damage arising directly or indirectly in the course of analysis or handling, without recourse whatsoever to the Company or any member of its staff.
10. The Company reserves the right to include Special Conditions in addition to the foregoing General Conditions if warranted by the particular circumstances of the required test or investigation.
11. Test results may be transmitted by electronic means at the client’s request. However, it should be noted that electronic transmission cannot be guaranteed to be secure or error-free as information can be lost, delayed or intercepted by a third party. The Company is not liable for any disclosure, error or omission in the content of such messages, which arise as a result of electronic transmission.
12. If necessary, the Company may subcontract part of or all tests to competent subcontractors. If no objection is raised at the time of submitting this application, we shall assume the client’s approval.
